

# KM 75/40W TRACTION DRIVE Industrial Vacuum Sweeper

**SWEEPEX AUSTRALIA**

The KM 75/40 W is a self propelled vacuum sweeper suitable for fine dust control and general litter collection in both indoor and outdoor applications.

There are two versions available:

1. Cordless 24 VOLT battery powered unit or an
2. Unleaded 3.3kW petrol powered version.

Both models feature simple operator controls, tool-less main brush and filter changes and an effective 'overthrow' sweeping system.

In addition, an optional soft floor kit makes the battery powered model an exceptional wide area carpet sweeper.

The waste bin rolls in and out of the machine easily and features a self alignment system to ensure correct positioning and maximum dust collection.

The KM 75/40 W is an ideal machine for use in industries such as building & construction, warehousing, retail, hospitality, petrol stations, car sales, etc.
